

Poverello
House

**POVERELLO HOUSE JOB ANNOUNCEMENT
NAVIGATOR**

The Navigator will administer the Community Screening Tool and VI-SPDAT to the client, develop a linkage plan and then arrange a warm hand-off to required services. Navigators work collaboratively with other service providers as well as faith-based supports for the long-term sustainability of wellness and recovery for the client. They are knowledgeable about community resources and best practices and provide case management of the client through the Map System

Qualifications:

- Bachelor's Degree in related field
- Must meet employment eligibility requirements as established by the program's funding agency
- A valid California Class C Driver License is required for transporting clients or attending to program business
- Ability to work in tandem with other team members to provide a welcoming and safe environment where clients can access a wide variety of linkages and services
- Good presentation skills; excellent oral and written communication
- Bilingual in Spanish required
