The 2nd Annual Block Party & Resource Fair at Poverello House

(Fresno, CA) – Everyday there is someone who passes through our doors who needs social services. Poverello House tries its best to help with every need, but sometimes we need help from our neighborhood agencies. On Saturday, May 30th Poverello House is inviting over 40 social services and local employment agencies, to Poverello House, to provide information and resources to anyone who will benefit from the information. We will also have a free Farmers Market for anyone who attends.

“We hope to provide to our clients and those in need of services, food and a little bit of fun,” said Cruz Avila, Executive Director. The Block Party & Resource Fair will be held at Poverello House, lunch will be provided, for free, there will also be live entertainment from one of our local DJs. A kid zone will be set up with bounce houses, games, and much more. Bike repair services, free haircuts, and basic medical exams will be provided as well.

Saturday, May 30, 2015 10 a.m. – 2 p.m. this event is free

This is a way to get all the services in the community to come together and serve those in need. Poverello House strives to provide every need for our clients and those in need in the community.

Everyday someone in our Valley goes hungry. It is a misconception that only the poor or homeless are hungry. Many of the hard-working Central Valley Residents struggle to make ends meet on a daily basis. Increased medical premiums, gas prices and rising grocery bills put a tremendous strain on families. Sadly, many find themselves a slip in the shower away from a financial crisis and ultimately go hungry.
