Dear Community Supporter:

This year, Poverello House will host its 8th Annual "5k Run for Meals", on Saturday, June 4th, at Woodward Park. All proceeds benefit the food program and other vital services at Poverello House, which serves more than 2,700 nutritious meals daily. This support is essential to offsetting the continued increases in food costs that we are experiencing and the increase in need that we are encountering. We are also excited about the re-launch of the Mobile Café, which will serve meals every day throughout the community and will continue to serve the hungry in our rural communities.

Today, our work spans throughout Fresno County and provides life-sustaining services to the poor, hungry, and homeless 365 days a year. For the last 49 years, individuals, families, businesses, churches, and groups have given generously to Poverello House. We simply could not serve the Fresno community without your support.

Several levels of sponsorship opportunities are available, although any amount of support you can contribute is appreciated. Thank you for making the "5k Run for Meals" a premier fundraising event for Poverello House. We look forward to celebrating another special event on June 4th with you, your family, and friends.

Thank you in advance for your support!

Sincerely,

Zachary D. Darrah
